Your homie has invited you to a party!
Use W to move up, A to move left, S to
move down, and D to move right.
The streets are dangerous so beware of
obstacles!
Can you make it on time?
click to start

Player
Character
(maybe a
sprite)

The player character moves through the street using WASD

player character

Player has to avoid oncoming cars

car

player character

If the player gets hit
by a car they lose
a life point

player character

car

If the player loses
all their life points
they die
(maybe explode)

dead player character

car

Death
Screen

You died on
the way
to the party.
Your homies
are in mourning.
Click here to try agian

The player character
can collide with
a life point
to regain one

The player character
collides with
the party
to win

the
party!

player
character

We see a screen with the player character chilling with the homie! Maybe a simple animation

You made it!
Enjoy the party!
Play again?

homie
